DETAILED ACTION

Double Patenting

- The nonstatutory double patenting rejection is based on a judicially created doctrine grounded in public policy (a policy reflected in the statute) so as to prevent the unjustified or improper timewise extension of the "right to exclude" granted by a patent and to prevent possible harassment by multiple assignees. See *In re Goodman*, 11 F.3d 1046, 29 USPQ2d 2010 (Fed. Cir. 1993); *In re Longi*, 759 F.2d 887, 225 USPQ 645 (Fed. Cir. 1985); *In re Van Ornum*, 686 F.2d 937, 214 USPQ 761 (CCPA 1982); *In re Vogel*, 422 F.2d 438, 164 USPQ 619 (CCPA 1970); and, *In re Thorington*, 418 F.2d 528, 163 USPQ 644 (CCPA 1969).
- A timely filed terminal disclaimer in compliance with 37 CFR 1.321(c) may be used to overcome an actual or provisional rejection based on a nonstatutory double patenting ground provided the conflicting application or patent is shown to be commonly owned with this application. See 37 CFR 1.130(b).
- Effective January 1, 1994, a registered attorney or agent of record may sign a terminal disclaimer. A terminal disclaimer signed by the assignee must fully comply with 37 CFR 3.73(b).
- Claims 1,6,14-19 and 21-22 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-9 of U.S. Patent No. 6,731,807 B1. Although the conflicting claims are not identical, they are not patentably distinct from each other because, even though the claims of the instant invention are broader than the claims of the aforementioned patent, however essentially these claims are contained within the claims of The patent.
- Claims 2 and 7-11 are rejected under the judicially created doctrine of obviousness-type double patenting, because of their dependency upon already rejected base claims.

Allowable Subject Matter

- Claims 23-26 are allowed.
- The following is an examiner's statement of reasons for allowance: None of the prior art teach or fairly suggest, wherein the data signals are coded so that a predetermined binary digital signal budget is not exceeded and the categories have a rank order.
